I started with very classic selfies and now I find myself in pictures again. After my very first photoshoots I knew I did not want to do anything else. In front of the camera I can live my own style and always slip easily into new roles. Because of my love of clothing, I have worked to develop my own style of lingerie.

I'm Amber Masten and I hail from St. John, New Brunswick, Canada. I've modeled for 6 years now. I model because it makes me feel empowered and sexy. My body is art.

"Amber is one of my all-time favorite models and people. She is the most open-minded model I've met to date. She says her eyes and smile are her best feature and I'd have to agree because I've seen them up close in person. However, she has an amazing body and an even sweeter personality. An extreme pleasure to work with this adorable person."

I've been modeling for 7 years now and I absolutely love it. I'm a very adventurous bubbly girl and I love meeting new people. A lot of people say I look like a real-life Jessica Rabbit, which is the best compliment ever for me!

I'm a passionate, loving person and I enjoy nothing more than pleasure. I'm a professional exfoliation scrubber so I love to give a lot of relaxation. I'm originally from Argentina, but now live in Naples, FL. I love my life, going to the gym, running, walking and eating healthy. I also enjoy playing and having new experiences. I love what I do and I do it with love!

I've been modeling genres ranging from fashion-fetish since 2014 and have been traveling full-time since January 2018. In February of 2018 I made the decision to begin tying different forms of rope art and rope bondage as well as self-suspension work. Rope work is some of my favorite art to create, however, I also really enjoy emotionally exposing projects.

I'm a petite glamour model and exotic dancer. Only 5' tall so I'm definitely fun size! I also do body piercing. Apparently, I enjoy causing people a bit of pain. The majority of the time you'll find me with my 3 dogs or enjoying a drink in the pub!
